Dear Fulton Township Property Owners and Residents,

Until further notice, Fulton Township Hall will not be open to the public due to Governor Whitmer's "Stay Home Order" effective on 3-23-2020 in reference to COVID-19. Our elected officials will continue working in order to perform necessary government activities, mostly remotely. Other Township employees will only work if critically necessary, to help with these necessary government activities. Our DPW workers who are necessary to sustain or protect life and are defined as "critical infrastructure workers" will continue to work also. Please see our website at www.fultontwp.com for any updates that you may have concerning our services offered. If you have a sewer or cemetery emergency need, or another urgent matter please call 989-236-7728, and we will do our best to assist you during this time of closure. You may also email us at: info@fultontwp.com. Thank you for your patience during this time.
